

Avadel Pharmaceuticals to Report Fourth Quarter and Full Year 2017 Results

February 26, 2018

DUBLIN, Ireland, Feb. 26, 2018 (GLOBE NEWSWIRE) -- Avadel Pharmaceuticals plc (NASDAQ:AVDL), today announced it will report its fourth quarter and full year 2017 financial results on Thursday, March 8, 2018, before the market open. A conference call to discuss these results has been scheduled for Thursday, March 8, 2018 at 10:00 a.m. EST. A question and answer period will follow management's prepared remarks.

To access the conference call, investors are invited to dial (844) 388-0559 (U.S. and Canada) or (216) 562-0393 (international). The conference ID number is 2299207. A live audio webcast can be accessed by visiting the Investors section of the Company's website, www.avadel.com. A replay of the webcast will be archived on Avadel's website for 90 days following the event.

About Avadel Pharmaceuticals plc:

Avadel Pharmaceuticals plc (NASDAQ:AVDL) is a branded specialty pharmaceutical company that seeks to develop differentiated pharmaceutical products that are safe, effective and easy to take through formulation development, in-licensing / acquiring new products and by utilizing its drug delivery technology; ultimately, helping patients adhere to their prescribed medical treatment and see better results. The Company is headquartered in Dublin, Ireland with operations in St. Louis, Missouri, United States and Lyon, France. For more information, please visit www.avadel.com.

Safe Harbor: This press release contains forward-looking statements, including, but not limited to, statements related to Avadel's business strategy and development plans, expected net sales growth of its marketed products, expected financial performance in future periods, expected timing of clinical, regulatory and commercial events, including those relating to the Phase 3 clinical trial of FT 218, potential market opportunity and estimated peak sales for Avadel's approved medicines and pipeline candidates, potential growth of Avadel's medicines, expected impact of the Tax Cut and Jobs Act, and business and other statements that are not historical facts. These forward-looking statements are based on Avadel's current expectations and inherently involve significant risks and uncertainties. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of these risks and uncertainties, which include, without limitation, risks that Avadel's actual future financial and operating results may differ from its expectations or goals; Avadel's ability to grow net sales from existing products; the availability of coverage and adequate reimbursement and pricing from government and third-party payers and risks relating to Avadel's ability to successfully implement its business strategies; risks associated with drug development and regulatory approvals; potential delays in clinical trials, including due to enrollment rates or adverse events; risks that results from on-going or future clinical trials may be inconsistent with results from prior pre-clinical studies or clinical trials; risks in the ability to recruit, train and retain qualified personnel; competition, including potential generic competition; the ability to protect intellectual property and defend patents; regulatory obligations and oversight, including any changes in the legal and regulatory environment in which Avadel operates and those risks detailed from time-to-time under the caption "Risk Factors" and elsewhere in Avadel's filings and reports with the SEC. Avadel undertakes no duty or obligation to update any forward-looking statements contained in this press release as a result of new information.
