EXPLANATORY NOTE

This Post-Effective Amendment is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the “Securities Act”), by Avadel Pharmaceuticals plc, an Irish public limited company (“Avadel” or the “Registrant”), as successor issuer to Flamel Technologies S.A., a *société anonyme* organized under the laws of France (“Flamel”).

On December 31, 2016 at 11:59:59 p.m. (Central European Time) (the “Effective Time”), pursuant to the Common Draft Terms of Cross-Border Merger, dated as of June 29, 2016 between Flamel and its wholly-owned Irish corporate subsidiary, Avadel (the “Merger Agreement”, which was filed as Exhibit 2.1 to the Form 8-K filed by Flamel on July 1, 2016), Flamel merged with and into Avadel, with Avadel as the surviving entity (the “Merger”). Pursuant to the Merger, (i) each outstanding ordinary share of Flamel was cancelled and exchanged for one ordinary share of Avadel, and (ii) each outstanding American Depositary Share (“ADS”) representing one ordinary share of Flamel was exchanged for an ADS representing one ordinary share of Avadel. Also, as a result of the Merger, all of the assets and obligations of Flamel were transferred to and/or assumed by Avadel. Such obligations of Flamel assumed by Avadel included the equity incentive plans of Flamel for which securities were registered under the Registration Statement (as defined below). By assuming such equity incentive plans, Avadel assumed the related obligations of Flamel with respect to free shares grants and/or stock options or stock warrants to acquire ordinary shares and/or ADSs, which thereby have become Avadel’s free share grants and/or stock options or stock warrants to acquire ordinary shares and/or ADSs of Avadel. Avadel’s board of directors has any authority remaining under such assumed equity incentive plans to issue additional Avadel free share grants and/or stock options or stock warrants to acquire ordinary shares and/or ADSs of Avadel.

Pursuant to Rule 12g-3(a) under the Exchange Act, Avadel is the successor issuer to Flamel, Avadel ADSs are deemed to be registered under Section 12(b) of the Exchange Act, and Avadel is subject to the informational requirements of the Exchange Act and the rules and regulations promulgated thereunder. Beginning on January 3, 2017, the ADSs representing shares of Avadel, which, as a result of the Merger, were issued to the former holders of Flamel ADSs, were listed and began trading on the Nasdaq Global Market under the trading symbol “AVDL.”

This Post-Effective Amendment No. 1 pertains to the adoption by Avadel of Registration Statement No. 333-212585 (the “Registration Statement”). Avadel hereby expressly adopts the Registration Statement as its own registration statements for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Notwithstanding the above, information that is “furnished to” the Commission shall not be deemed “filed with” the Commission and shall not be deemed incorporated by reference into this Registration Statement.

ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

Not applicable.

ITEM 6. Indemnification of Directors and Officers.

To the fullest extent permitted by Irish law, Avadel’s constitution contains indemnification for the benefit of its directors, company secretary and executive officers. However, as to its directors and company secretary, this indemnity is limited by the Irish Companies Act, which prescribes that an advance commitment to indemnify only permits a company to pay the costs or discharge the liability of a director or company secretary where judgment is given in favor of the director or company secretary in any civil or criminal action in respect of such costs or liability, or where an Irish court grants relief because the director or company secretary acted honestly and reasonably and ought fairly to be excused. Any provision whereby an Irish company seeks to commit in advance to indemnify its directors or company secretary over and above the limitations imposed by the Irish Companies Act will be void, whether contained in its articles of association or any contract between the company and the director or company secretary. This restriction does not apply to Avadel’s executive officers who are not directors, the company secretary or other persons who would be considered “officers” within the meaning of the Irish Companies Act.

Avadel is permitted under Avadel's constitution and the Irish Companies Act to take out directors and officers' liability insurance, as well as other types of insurance, for its directors, officers, employees and agents. In order to attract and retain qualified directors and officers, Avadel purchases and maintains customary directors' and officers' liability insurance and other types of comparable insurance.

Each of the employment agreements between Flamel and its executive officers includes a provision obligating Flamel to indemnify the employee from liability arising from his or her services to us, except to the extent such liability was the result of his or her fraud, gross negligence, or reckless or intentional misconduct. These indemnity obligations will become binding obligations of Avadel as a result of the Merger. At present, there is no pending litigation or proceeding involving any directors or executive officers as to which indemnification is required or permitted, and Avadel is not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

The indemnification provisions in Avadel's constitution may discourage shareholders from bringing a lawsuit against directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit Avadel and its shareholders. A shareholder's investment may be harmed to the extent Avadel pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers or persons controlling Avadel pursuant to the foregoing provisions, Avadel has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. There is no pending litigation or proceeding naming any of Avadel's directors or officers as to which indemnification is being sought, nor is Avadel aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

ITEM 7. Exemption from Registration Claimed.

Not applicable.

ITEM 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act,

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference into the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: **Avadel Pharmaceuticals plc (the “Company”) Post-Effective Amendment to Form S-8 Opinion**

Dear Sirs,

1. **Basis of Opinion**

- 1.1 We are acting as Irish counsel to Avadel Pharmaceuticals Public Limited Company, registered number 572535, a public company limited by shares, incorporated under the laws of Ireland, with its registered office at Block 10-1, Blanchardstown Corporate Park, Ballycoolin, Dublin 15 (the “**Company**”), in connection with the cross-border merger between the Company and Flamel Technologies S.A. (the “**Merger**”) whereby (i) each outstanding ordinary share of Flamel was cancelled and exchanged for one outstanding ordinary share of the Company, and (ii) each American Depositary Share (“**ADS**”) representing one ordinary share of Flamel (the “**Shares**”) was exchanged for an ADS representing one ordinary share of the Company, in connection with the post-effective amendment to the registration statement with file number 333-212585 (the “**Registration Statement**”), to be filed with the United States Securities and Exchange Commission (the “**SEC**”) on 10 January 2017 under the Securities Act of 1933, as amended (the “**Securities Act**”) that may be issued pursuant to the stock options plans, plan allocations for warrants and plans for allocations of free shares listed in Schedule 1 to this Opinion (the “**Plans**”) transferred to and assumed by the Company in connection with the Merger.
 - 1.2 This Opinion is confined to and given in all respects in accordance with the laws of Ireland (meaning Ireland exclusive of Northern Ireland) in force as at the date hereof as currently applied by the courts of Ireland. We have made no investigation of and we express no opinion as to the laws of any other jurisdiction or the effect thereof. We have assumed without investigation that insofar as the laws of any jurisdiction other than Ireland are relevant, such laws do not prohibit and are not inconsistent with any of the obligations or rights expressed in the Documents (as defined below) or the transactions contemplated thereby.
-

- 1.3 This Opinion is also strictly confined to:
- (a) the matters expressly stated herein at paragraph 2 below and is not to be read as extending by implication or otherwise to any other matter;
 - (b) the documents listed in Schedule 1 (the “**Plan Documents**”); and
 - (c) the legal searches listed at paragraph 1.8 below (the “**Searches**”),
- and is subject to the assumptions and qualifications set out below.
- 1.4 As Irish counsel to the Company in connection with the registration of the Shares, we have examined:
- (a) the Plan Documents;
 - (b) the documents listed in Schedule 2 (the “**Supplementary Documents**”, and together with the Plan Documents, the “**Documents**”);
 - (c) the Searches; and
 - (d) such other documents and records as we have deemed necessary to enable us to render the opinions set forth below.
- 1.5 In giving this Opinion, we have examined and relied on copies of the Documents sent to us by email in pdf or other electronic format.
- 1.6 We express no opinion, and make no representation or warranty, as to any matter of fact or in respect of any documents which may exist in relation to the Plans or the Shares other than the Plan Documents.
- 1.7 In giving this Opinion, we have relied upon the Corporate Certificate (as defined in Schedule 2 to this Opinion) and the Searches and we give this Opinion expressly on the terms that no further investigation or diligence in respect of any matter referred to in the Corporate Certificate or the Searches is required of us.
- 1.8 For the purpose of giving this Opinion, we have caused to be made the following legal searches against the Company on 10 January 2017:
- (a) on the file of the Company maintained by the Irish Registrar of Companies in Dublin for returns of allotments, special resolutions amending the memorandum and articles of association of the Company and notice of the appointment of directors and secretary of the Company and for the appointment of any receiver, examiner or liquidator;
 - (b) in the Judgments Office of the High Court for unsatisfied judgments, orders, decrees and the like for the twelve years immediately preceding the date of the search; and
 - (c) in the Central Office of the High Court in Dublin for any proceedings and petitions filed in respect of the Company.
- 1.9 This Opinion speaks only as of its date. We assume no obligation to update the Opinion at any time in the future or to advise you of any change in law or change in interpretation of law which may occur after the date of this Opinion.
-

- 1.10 References in this Opinion to the “**Companies Act**” means the Companies Act 2014, all enactments which are to be read as are with, or construed or read together as are with the Companies Act 2014 and every statutory modification and re-enactment thereof for the time being in force.
- 1.11 No assumption or qualification in this Opinion limits any other assumption herein. Headings to paragraphs or sub-paragraphs of this Opinion are for convenience only.

2. **Opinion**

Subject to the assumptions set out in this Opinion and to any matters not disclosed to us, we are of the opinion that:

- 2.1 The Company is a public company limited by shares and is duly incorporated and validly existing under the laws of Ireland.
- 2.2 When the Shares have been issued (and, if required, paid for in cash) pursuant to and in accordance with the terms of the Merger Agreement (as defined in Schedule 2), the terms and conditions referred to or summarised in the applicable resolutions and the Plan Documents, the Shares will be validly issued, fully paid up and non-assessable (which term means when used herein that no further sums are required to be paid by the holders thereof in connection with the issue of such Shares).

3. **Assumptions**

For the purpose of giving this Opinion, we assume the following without any responsibility on our part if any assumption proves to have been untrue as we have not verified independently any assumption:

Registration Statement and the Plans

- 3.1 that when filed with the SEC, the Registration Statement will not differ in any material respect from the drafts that we have examined and that the Registration Statement will have become effective under the Securities Act;
 - 3.2 that any awards granted pursuant to the Plans will be paid up in consideration of the receipt by the Company prior to, or simultaneously with, the issue of the Shares pursuant thereto of cash at least equal to the nominal value of such Shares and any premium required to be paid up on the Shares pursuant to their terms of issue and that where Shares are issued under the Plans without the requirement for the payment of cash consideration by or on behalf of the relevant beneficiary, then such shares shall either be fully paid up by the Company or one of its subsidiaries within the time permitted by section 1027(1) of the Companies Act (and, in the case of the Company or a subsidiary incorporated in Ireland, in a manner permitted by sections 82(6) and 1043(1) of the Companies Act or issued for consideration as set out in section 1028(2) of the Companies Act);
 - 3.3 that the filing of the Registration Statement has been authorised by all necessary actions under all applicable laws other than Irish law;
 - 3.4 that the exercise of any options and rights granted under the Plans and the issue of the Shares upon exercise of such options and rights (and the issue of the Shares in connection with any other awards granted under the Plans) will be conducted in accordance with the terms and the procedures described in the Plans and the applicable award agreements;
-

- 3.5 that the Company has sufficient authorised but unissued share capital to issue the required number of Shares to be delivered to the recipients of any awards granted under the Plans;
- 3.6 that, at the time of issue of the Shares, the authority of the Company and the directors of the Company to issue the Shares, as provided for in the Companies Act and the Constitution, is in full force and effect;
- 3.7 that the Company will continue to renew its authority to issue the Shares in accordance with the terms and conditions set out in the Constitution and Companies Act and that, where such authority has not been renewed, the Company will not issue the Shares after such authority has expired;
- 3.8 that, as at the time of the issuance of the Shares, such issuance shall not be in contravention or breach of any agreement, undertaking, arrangement, deed or covenant affecting the Company or to which the Company is a party or otherwise bound or subject;
- 3.9 that from the date of the board resolutions set out in Schedule 2, no other corporate or other action has been taken by the Company to amend, alter or repeal those resolutions;

Authenticity and bona fides

- 3.10 the truth, completeness, accuracy and authenticity of all Documents submitted to us as originals or copies of originals (and in the case of copies, conformity to the originals of such copies), the genuineness of all signatories, stamps and seals thereon and where incomplete Documents have been submitted to us that the originals of such Documents are identical to the last draft of the complete Documents submitted to us;
 - 3.11 that the copies produced to us of minutes of meetings and/or of resolutions correctly record the proceedings at such meetings and/or the subject matter which they purport to record and that any meetings referred to in such copies were duly convened, duly quorate and held, that those present at any such meetings were entitled to attend and vote at the meeting and acted bona fide throughout and that no further resolutions have been passed or other action taken which would or might alter the effectiveness thereof;
 - 3.12 that there is, at the relevant time of the allotment and issue of the Shares, no matter affecting the authority of the directors to issue and allot the Shares, not disclosed by the Constitution or the resolutions produced to us, which would have any adverse implications in relation to the opinions expressed in this Opinion;
 - 3.13 that the constitution effective as of 11:59:59 p.m. (Central European Time) on 31 December 2016 (the “Constitution”) is the current Constitution, is up to date and has not been amended or superseded and that there are no other terms governing the Shares other than those set out in the Constitution;
-

Accuracy of searches and warranties

- 3.14 the accuracy and completeness of the information disclosed in the Searches is accurate as of the date of this Opinion and that such information has not since the time of such search or enquiry been altered.
